**MEMORANDUM OF RECORD**

**SUBJECT: Proposed Regulation on Liaison**

25X1A

1. [REDACTED] Chief, Liaison Staff, called relative to our concurrence on a proposed regulation on liaison. I told him that there were some people in the DD/R, particularly OSA, who felt that certain elements of the DD/R should be made an exception in the regulation. However, [REDACTED] and I felt that if our DD/R employees lived their cover, there would be no official CIA liaison problem. [REDACTED] and I agreed that if there were any peculiar cases that would arise they would be resolved individually rather than try to make an exception in the regulation.
